

# THE PAVILION

providing meals with wider community benefit

Imagine a catering service that doesn't operate for profit... That invests every penny it makes back into the community it surrounds.

Well... at The Pavilion, you need not imagine, as this is who we are and what we do everyday! Our amazing customers truly do help us to pay it forward.

Our Coffee Houses and Buffet Service are professionally operated by Access Community Trust and we are a local charity that is proud to be different.

To find out more, how you can help and what projects and services we support visit [www.ACCESSCT.org](http://www.ACCESSCT.org).

"By preference we always recommend Sams for our offsite catered events. Fab food, reasonably priced and the money we spend is invested back into the community."

Jules Shorrock

"We ordered a buffet for my daughters 21st, the guys at Sams provided us with a stunning array of fresh sandwiches, salads and the most amazing Gluten FREE personalised birthday cake!"
